

Hi Michael and Mandy and Mike.

I would just like to say that Debra and myself had a great week with you guys in the Alps it was a wonderful taste of the place and there is a good chance we will be back next year to A get to 10,000 ft and see more forts.

I have attached a couple of pictures please feel free to use them if you wish.

Many thanks to you all and see you soon.

Paul & Debra Weston
